Dear Parent,

Please complete and return this form to us using the address above or visit www.rockandpopfoundation.com/enrol to enrol online. Upon completion of the form your child will be added to our waiting list for music lessons at their school.

Who are we?
 The Rock and Pop Foundation is the UK's leading contemporary Music Service providing a wide range of programmes to Schools and Colleges. Since 1995 over 40,000 have been taught by our organisation and we pride ourselves on 'Raising the standards in Music Education'.

Aims
 To provide quality, interactive instrumental lessons with excellent levels of support, accredited partnerships with schools and a motivational workforce inspired to react to the changing needs of music education. We remember that learning to play should be fun and our instrumental programmes capture students' imaginations.

Syllabus and Concerts
 Students begin their tuition working from the Rock and Pop Foundation Music 'Junior Trainer' series, our unique, QCF accredited syllabus. Our syllabus provides the platform for students to learn the key skills in playing their chosen instrument, presenting the material in a fun and engaging format. Students then progress to a graded syllabuses with either; Rockscool, Trinity College or Associated Board. We support National Curriculum Key Stages 1-4 for Music and enable students to attain high standards of music theory, practice and performance. Concerts are organised throughout the school year giving children the opportunity to perform and showcase their skills. With permission from the school, parents will be invited.

Home Practice
 Beginner students should practise for at least 10 minutes every day. Each practice session is recorded in their home training diary. Guitar, Drum and Keyboard Trainer book 1 have a practice schedule at the front of the book. Points are awarded weekly by the tutor for the practice that has been completed. Points earned are totalled at the end of each term and certificates will be handed out upon completion of each Trainer book.

Fees and Books
 Fees are dependent on lesson format with invoices being available to view and pay online at the start of every school term. School terms generally vary between 11-15 weeks according to the individual school. Beginner students start lessons working from our Junior Trainer book series and this will be automatically added to the first invoice. Students with prior playing experience will be assessed by their tutor and books will be available to purchase upon request via our head office and online shop.

Instruments
 All students must have their own instrument to practice on at home, the requirements will vary for each instrument as listed below.

Guitar - A nylon strung Spanish / Classical Guitar is recommended to start with. For most Junior students (age 7 to 11) we recommend a 3/4 size guitar - we can organise supply of these with a case for just £78.99 inc VAT. Senior School students may require a full size guitar.

Drums - Although advantageous, a full Drum kit is not necessary to begin with however as a minimum every student must have their own practice pad, sticks and metronome for practice at home. We can organise supply of these items for £49.99 inc VAT.

Keyboard - Whilst we don't supply keyboards, a 5 octave Yamaha Keyboard with full size keys is recommended.

Ukulele - All students will require their own Ukulele for lessons and home practice. There are a variety of options available which will be discussed prior to lessons starting.

Piano - We recommend students have either a Piano or electronic Keyboard for home practice. Students will NOT be required to take an instrument in to school for their lesson.

Online Shop
 Books, instruments and additional courses can be purchased via our online shop hosted on our website. All prices are inclusive of postage and packaging and will be delivered within 2/3 working days.

Our Tutors
 All of our tutors are licensed and accredited to deliver the Rock and Pop Foundation education programmes. All tutors are fully checked for their suitability for the role - this includes a Fully Enhanced check Disclosure Barring Service (DBS).
