SUPPORT GUIDE DOGS DAY!

Our school council have decided to raise money for their chosen charity 'Guide Dogs for the Blind association'. We will be asking for cash donations on this day as part of our Harvest Celebrations! In doing this, each class will decorate a bin/box to look like a dog and collect their money in it. The class who decorates their bin/box best will win a prize! We hope to raise as much as we can for a wonderful charity.

School Meals

The lunch choices for week commencing 14th October are Week 3 of the Autumn / Winter Menu. School Meals cost £2.69 per day, and we ask that accounts are kept in credit. There is a reminder function that can be set up on the Scopay system, which will alert you if your child's balance falls below an amount set by you.

Community Information

Parking

Please be considerate when parking, and try to ensure that access for emergency vehicles is always possible as there are some vulnerable and disabled residents locally.

Wraysbury rules are Ready, Respectful, Safe and we would like to hope that our parents follow these too as a good example to the children.

E-scooters

What you need to know

Did you know it's illegal to ride a privately owned electric scooter (e-scooter) in public?

That's because e-scooters are classed as motor vehicles in law. So, in theory, this means that you need an MOT, road tax and insurance to use one, however it isn't currently possible to register e-scooters in this way.

Privately owned e-scooters can only be used on private land, with the permission of the landowner.

You cannot use a privately owned e-scooter on the road, pavement or in a public space. If you do then you risk receiving a large fine, points on your driving licence and your e-scooter could be seized.

Some parts of the UK are running government trials of rental e-scooters. If you're over 16 and have a full or provisional driving licence, then you can use these on public roads and cycle paths.

Just check that your driving licence covers categories AM, A or B.
