Session	Learning Intention	Content including Vocabulary	✓/X
3	Recognise the physical differences between boys and girls, use the correct names for body parts and appreciate that some parts of my body are private.	<p>To tell you what I like/don't like about being a boy/girl. The children will talk about the different parts of the body and will use the scientific vocabulary to name these parts. A PowerPoint will be used to show the parts of the body (cartoon images). We discuss the importance of knowing these names e.g. going to a Doctor and speaking to a teacher about a problem etc. Often children will share what they call their private parts at home.</p> <p>Vocabulary: boy/male, girl/female, vagina, penis, anus, breasts, testicles, public, private, nipples.</p>
