Overall, we have seen a marked improvement in attendance this week! We exceeded the national average, with a weekly percentage score of 94.8%, and today's attendance was over 95%. Regular attendance makes such a difference to children's learning, and also in their relationships with their peers. Hopefully, this great start to the half term will continue.

Please remember that sickness absence lasting 3 days or more will require supporting medical evidence. Without this, absence will be unauthorised and could be passed to RBWM for a fixed penalty notice.

Whenever possible, routine dental and eye check ups should be made out of school time, and children who do leave during the day are expected to return to school before the end of the day.

### Hot Chocolate Friday

This week's recipients. Well Done to everyone!

Proud

Well done to Ladybirds and Sparrows for having perfect punctuality this week.. Only 25 children were late this week, which is a huge improvement. Maybe the sunny mornings in the latter part of the week helped, and as the weather is forecast to be dry and bright for a while, hopefully next week will be even better. If you find mornings stressful, why not try Gap Club's Breakfast Club? Let them feed and entertain your child before the school day starts For more information please see <https://thegapclub.com/>

### Reminders.....

- \* All children are required to wear black school shoes, and not trainers. If your child is not wearing the correct footwear, please rectify this during half term.
- \* Water bottles should contain water only, and KS2 should only be bringing fruit or vegetables as a breaktime snack.
- \* Please be considerate of our neighbours when parking near the school.
- \* If you move house or change your mobile phone number, please make sure you let us know.
- \* We are a nut-free school. Please make sure there are no items containing nuts in packed lunches. This includes Nutella and Cherry Bakewells!!
- \* Please remove multiple keyrings from children's book bags. The bags are becoming difficult to store, and issues are being caused in class when children swap or give away their charms.

We're encouraging all parents to **Think Pharmacy First**

Did you know that community pharmacies can now offer clinical appointments with medication available (if required) for **five clinical conditions** particularly relevant to school age children?

- Ear ache (children aged 1-17)
- Sore throat (over 5s)
- Infected insect bites (over 1s)
- Impetigo (over 1s)
- Sinusitis (over 12s)

GP practices are busy and making an appointment with them is not always necessary!

When your child is ill with any of these conditions, head straight to your local community pharmacy where you can have a consultation with a trained clinical professional and receive advice, guidance and even medication if it's needed. Lets get your child on the road to recovery as soon as possible.

**Earache (Children aged 1 to 17 years)**

**Infected Insect Bite or Impetigo (Children and adults age 1 and over)**

The majority of Frimley Health and Care community pharmacies offer the Pharmacy First service.

Remember - if your child has an ear ache, sore throat, impetigo symptoms or a suspected infected insect bite think Pharmacy First.

**Sore throat (Children and adults age 5 and up)**

**Wraysbury Primary School**

Wraysbury Primary School are excited to announce our latest fundraising campaign to enhance our school's swimming pool facilities, ensuring every child benefits from a safe and enjoyable swimming experience. The current swimming pool is at risk of closing unless we undertake essential upgrade works. Plus it has a special Birthday this year as it is 50 years old! If you are able to make any donations big or small to support your local village school we would very much appreciate it!
