Unfortunately, no class attained perfect attendance this week. Hopefully, next half term will see an improvement, with fewer children suffering from winter ailments. Please remember that absence lasting 3 days or more will require supporting medical evidence. Without this, absence will be unauthorised and could be passed to RBWM for a fixed penalty notice.

Whenever possible, routine dental and eye check ups should be made out of school time, and children who do leave during the day are expected to return to school before the end of the day.

Hot Chocolate Friday

As the mornings are getting lighter and, hopefully, warmer, getting up should be getting easier! Setting your alarm 10 minutes earlier each day may make all the difference and give your child a better start to the day.

If you find mornings stressful, why not try Gap Club's Breakfast Club? Let them feed and entertain your child before the school day starts. For more information please see <https://thegapclub.com/>

Reminders.....

- * Mobile phones and smart watches should not be brought into school. Any phones brought into school for exceptional reasons (and with prior agreement by Mrs Fox) must be left at the school office for safe-keeping.
- * All children are required to wear black school shoes, and not trainers. If your child is not wearing the correct footwear, please rectify this during half term.
- * Water bottles should contain water only, and KS2 should only be bringing fruit or vegetables as a breaktime snack.
- * Please be considerate of our neighbours when parking near the school.
- * If you move house or change your mobile phone number, please make sure you let us know.

Pupil Progress Reports

Your child should have brought home a letter for you detailing their progress so far this year. The details in the letter will form the basis of discussions at Parents' & Carers' Evening, and we hope you find this new initiative useful. The traditional School Report will still be sent home at the end of the school year, to show you how far your child has come this year!

Music Lessons in School

Did you know that children from Year 2 upwards can have guitar lessons in school? Rock and Pop Foundation currently offer guitar lessons during the school day. Please ask at the office if you would like more information.

Parents Welcome...!

This week was another busy one in school with two class assemblies, a Book Café and Internet Safety Day. Thank you to everyone who came to one of the events. The feedback cards are really positive, and we share the lovely comments with all the children (and staff).

The Class assemblies will continue after half term, with Squirrels and Hedgehogs in the first week back.

Booking for Parents' & Carers' Evening is open until 7pm on Sunday 23rd February. Please make sure you book your appointment to discuss your child's progress so far this year and view their books to see examples of the work that they do.

School Meals

The lunch choices for week commencing Monday 24th February 2025 are Week 2 of the Winter Menu. Plain pasta is available on Monday, Wednesday and Friday, and jacket potatoes are served on Tuesday and Thursday. Both come with a selection of toppings.

School Meals cost £2.69 per day, and we ask that accounts are kept in credit. There is a reminder function that can be set up on the Scopay system, which will alert you if your child's balance falls below an amount set by you. With the weather so cold at the moment, why not encourage your child to have a hot meal at lunchtime?

Come as you are. Go as all you can be.

'Excellent in all areas'
Independent Schools Inspectorate, December 2022

We're encouraging all parents to
Think Pharmacy First

Did you know that community pharmacies can now offer clinical appointments with medication available (if required) for **five clinical conditions** particularly relevant to school age children?

- Ear ache (children aged 1-17)
- Sore throat (over 5s)
- Infected insect bites (over 1s)
- Impetigo (over 1s)
- Sinusitis (over 12s)

GP practices are busy and making an appointment with them is not always necessary!

When your child is ill with any of these conditions, head straight to your local community pharmacy where you can have a consultation with a trained clinical professional and receive advice, guidance and even medication if it's needed. Let's get your child on the road to recovery as soon as possible.

Infected Insect Bite or Impetigo
(Children and adults age 1 and over)

The majority of Frimley Health and Care community pharmacies offer the Pharmacy First service.

Remember - if your child has an ear ache, sore throat, impetigo symptoms or a suspected infected insect bite think Pharmacy First.

Sore throat
(Children and adults age 5 and up)

HELP US Make a Splash!

GOAL

GOAL

Wraysbury Primary School are excited to announce our latest fundraising campaign to enhance our school's swimming pool facilities, ensuring every child benefits from a safe and enjoyable swimming experience. The current swimming pool is at risk of closing unless we undertake essential upgrade works. Plus it has a special Birthday this year as it is 50 years old!

If you are able to make any donations big or small to support your local village school we would very much appreciate it! 😊
