We've still not had our first 'perfect attendance' award of 2025 yet! Which class will be the first to enjoy a non-uniform day? Hopefully, it will happen next week. Please remember that absence lasting 3 days or more will require supporting medical evidence such as a copy of a prescription or confirmation of a doctor's appointment. Without this, absence will be unauthorised and could be passed to RBWM for a fixed penalty notice.

Thank you to everyone who has been providing details of their child's appointments during the school day. We appreciate your support.

Motivated

Although punctuality has improved slightly this week, it is still a big concern. 44 children were late this week which is 13% of the school. Did you realise that if your child is 10 minutes late once a week for the school year, that equates to missing a whole day at school!

If you find mornings stressful, why not try Gap Club's Breakfast Club? Let them feed and entertain your child before the school day starts. For more information please see <https://thegapclub.com/>

Reminders.....

- * Mobile phones and smart watches should not be brought into school. Any phones brought into school for exceptional reasons (and with prior agreement by Mrs Fox) must be left at the school office for safe-keeping.
- * All children are required to wear black school shoes, and not trainers. If your child is not wearing the correct footwear, please inform us of the reason why.
- * Every child should bring a water bottle to school each day. This bottle should be plastic and of a suitable size for the class carriers. Bottles should contain plain water only.

Hot Chocolate Friday!!

Well done to this week's recipients

PLEASE COME ALONG TO FAMILY SHARING

TUESDAY 21ST JANUARY

What is it?
During the term, we invite you to come into your child's classroom at the end of the school day.

We are using this Family Sharing as an opportunity to show parents the resources we use to support home learning for your child

3.10 until 3:30pm (EYFS, Y1, Y2)

3:20 until 3:40pm (Y3, Y4, Y5, Y6)

No booking is required. Please just pop in! Unfortunately, we will need to finish the session at 3.40 prompt, as teachers have staff meetings after school.

Please note, this is not a formal Parents' Evening, but we hope you will simply enjoy the chance to chat with the teacher, to have a look around and share with your child what they have been learning!

School Meals

The lunch choices for week commencing Monday 20th January 2025 are Week 1 of the Winter Menu. Plain pasta is available on Monday, Wednesday and Friday, and jacket potatoes are served on Tuesday and Thursday. Both come with a selection of toppings.

School Meals cost £2.69 per day, and we ask that accounts are kept in credit. There is a reminder function that can be set up on the Scopay system, which will alert you if your child's balance falls below an amount set by you. With the weather so cold at the moment, why not encourage your child to have a hot meal at lunchtime?

Community Information

We're encouraging all parents to Think Pharmacy First

Did you know that community pharmacies can now offer clinical appointments with medication available (if required) for five clinical conditions particularly relevant to school age children?

- Ear ache (children aged 1-17)
- Sore throat (over 5s)
- Infected insect bites (over 1s)
- Impetigo (over 1s)
- Sinusitis (over 12s)

GP practices are busy and making an appointment with them is not always necessary!

When your child is ill with any of these conditions, head straight to your local community pharmacy where you can have a consultation with a trained clinical professional and receive advice, guidance and even medication if it's needed. Lets get your child on the road to recovery as soon as possible.

Earache (Children aged 1 to 17 years)

Infected Insect Bite or Impetigo (Children and adults age 1 and over)

Sore throat (Children and adults age 5 and up)

The majority of Frimley Health and Care community pharmacies offer the Pharmacy First service.

Remember – if your child has an ear ache, sore throat, impetigo symptoms or a suspected infected insect bite think Pharmacy First

For more information visit: www.nhs.uk/nhs-services/pharmacies

Worried about your child's health and wellbeing?
