

**Have you ever  
wondered what  
Year 3  
is like?**

**Open the booklet  
and find out!**

## Where are we?

This year the Year 3 classrooms are upstairs next to the computer suite. Please help your child become more independent when dropping them off in the morning. Pick up is on the main playground next to the swimming pool at 3:20.

## Class essentials

Every child needs a pencil case that will fit into your tray under your table. Please can we ask that a labelled water bottle is also sent into school each day to ensure we are keeping hydrated throughout the day.

## Playtime & Lunchtime

Break time is at 10.30am and Lunchtime is not until 12.30pm, so remember to bring a healthy snack of fresh fruit to accompany your water.

## What will you learn?

Year 3 is jam packed with many exciting topics to get your teeth into. In the Autumn term we will be looking at the topic of "Tails and Toes." The children will be looking at the texts, "The Hedgehog" and "Fantastic Mr Fox" to enhance their writing and immerse them further into the topic. In Science, we will look at the importance of nutrition and how animals and humans have nutritional needs, which need to be met.

In the spring term, we will be going back in time to the Ancient Egyptians with our topic, "Funky Pharaohs." We will be reading a range of texts to support this including: "The Pebble in my pocket" and "Egyptian Cinderella."

We shall finish off the year with the great and wonderful topic of "Under the Canopy." It's a lovely time of the year to get out and learn about the plants that grow in our world. We will look at the texts of "The Great Kapok Tree" and "The Jungle Challenge" to further our knowledge of the wonderful world we live in.

## Your friendly faces..

You will have some very friendly faces to see around Year 3. Mrs Jenkinson and Mrs Morrissey will be teachers in Sparrow class, whilst Miss Black will be teaching in Robin class. If you have any questions please feel free to send us an email, or arrange a phone call and we will be happy to talk to you!

Mrs. Morrissey is also the KS2 Phase Leader and Assistant Head, so do stop and talk to her if you have any questions wider than the classroom.
