

**Have you ever
wondered what
Year 6
is like?**

**Open the booklet
and find out!**

Where are we?

The year 6 classrooms are located in the main building near the office. Pick up is on the main playground next to the Weylands entrance.

Class essentials

Every child needs a pencil case that will fit into your tray under your table. Please can we ask that a labelled water bottle is also sent into school each day to ensure we are keeping hydrated throughout the day.

Playtime & Lunchtime

Break time is at 11.00am and Lunchtime is not until 1.00pm, so remember to bring a healthy snack of fresh fruit to accompany your water.

What will you learn?

It is going to be a busy year for Year 6. In the Autumn term our topic in science is Superhumans. We will explore how the circulatory system works and how diet and exercise can impact the body. Later in the term, we will focus on the key events of WW I and II in our topic, "We'll meet again."

In the spring term, our topic is "Sail Away" where we will be focusing on some of the findings of Charles Darwin.

In our final term, (post SATS) our topic is "The Mayans." We will also be gearing up for our final assembly and preparing ourselves for the transition into secondary school.

The dreaded word-SATS

We can't avoid SATs but don't worry, we will be so prepared you won't even know it's happening. On the week beginning 13th May we will take tests in Reading, SPAG and Maths.

Your friendly faces..

It's hard to believe this will be your final year here at Wraysbury. Your class teacher for the year is Miss Carty. If you have any questions please feel free to send us an email, or arrange a phone call and we will be happy to talk to you!

Mrs. Morrissey is also the KS2 Phase Leader, so do stop and talk to her if you have any questions wider than the classroom.
