20<sup>th</sup> April 2023

Dear Parents/Carers

## Lunchtimes

When the children come in in the morning it is an excellent time to carry out some targeted support e.g handwriting or practising tricky words. At the moment it takes a considerable amount of time ordering the children's meals. Please could we ask you to log onto your Scopay account and order your child's lunch each week (you can do in advance). You need to go into the 'order meal' tab on the first page and then you can click on each day to see the options available and choose the meal. Please talk to your child and do it with them. If your child is absent please go on and cancel any orders.

APRIL 2023							TODAY	<	>
MON	TUE	WED	THU	FRI	SAT	SUN			
					1	2	X	X	
3	4	5	6	7	8	9	X	X	X
10	11	12	13	14	15	16	X	X	X
17	18	19	20	21	22	23	X	X	
24	25	26	27	28	29	30	X	X	

We will obviously check each day to make sure it has been done. This will save a lot of time that we can then spend with the children. Any queries, please do not hesitate to ask.

Also, in the Physical Development part of the EYFS curriculum the children will be assessed at the end of year whether they can use cutlery or not. We have noticed that many children struggle to use a knife and fork. Please could your child practise this during meal times at home.

Many thanks for your continued support
